FR SKATES SIZE CHARTS **FR1 / FR2 / FR3 / FRX**

To find your correct size, first refer to your current shoe size.

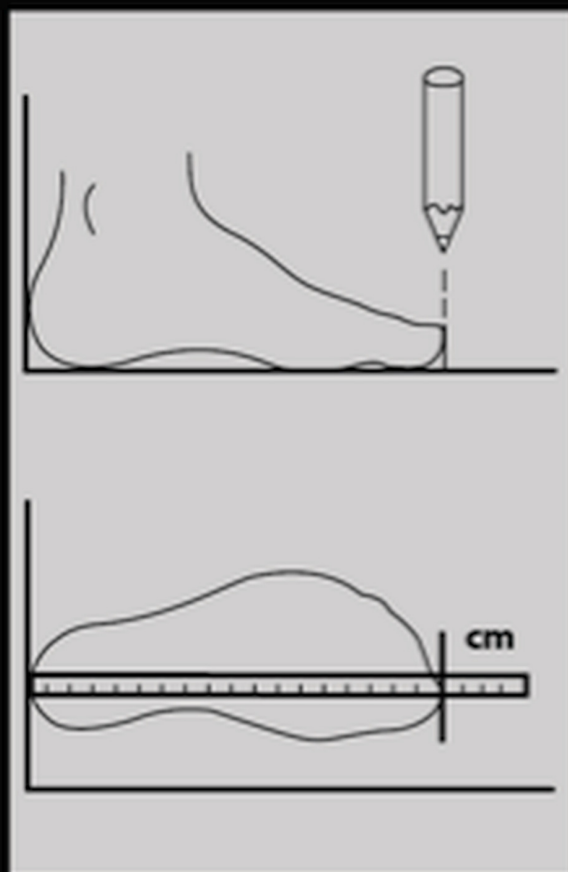

For a more accurate measurement, use this method:

Place a sheet of paper against a wall on a hard-surfaced floor.

Place your heel against the wall and outline your feet one at a time.

Measure the distance from heel to toe in centimeters.

Use the longest measurement to match your best fit on the size chart below.

CHECK FOR PROPER FIT

When trying on the skates the toes shouldn't be pressed against the front of the skate and should lay flat. Toes can touch slightly the front of the skates, without pressure point.

FR1 Deluxe Intuition Skates are equipped with Intuition heat-moldable liners, for an optimized fit. To mold the liners, refer to the molding instructions following below link.

Before molding, try both liners on in your boots with any footbeds/orthotics you intend to use, to ensure they fit your boots and feet properly. Not too tight, not too sloppy!

Do not mold if the liners don't fit !
